

A woman with blonde hair, wearing a white striped shirt and white pants, is lifting a young girl with long blonde hair, wearing a white shirt and pink pants, into the air. They are in a modern kitchen with light wood cabinets and a white countertop. A large window with blue curtains is visible in the background, showing a reflection of the woman and child. The scene is bright and cheerful.

## Spring is a time for change

Nous nous excusons si nous avons fait une erreur dans la langue d'usage de cet envoi. Si tel est le cas, vous pouvez contacter le Service à la clientèle pour modifier vos préférences et demander la version française ou encore la consulter directement au [energir.com/fr/nouvelles-du-mois](https://www.energir.com/fr/nouvelles-du-mois).

Take advantage  
of grants to  
switch to  
dual energy.

# Stay cool with a new heat pump

If you are planning on undertaking work on your home this spring, such as adding or replacing a heat pump, why not seize the opportunity to switch to dual energy? You could benefit from the dual-energy rate for your electrical needs, as well as generous grants.\*

## Obtain grants for switching to dual energy

Some grants are enhanced to help you make the switch to dual energy.

Starting April 1, 2024

Single-family house / Condo  
up to  
**\$6,000\***

Duplex or triplex  
up to  
**\$9,100\***

### Get a bonus of up to \$100

Also receive up to \$100 when you replace your traditional thermostats with smart models.

## Where to begin?

Qualified professionals guide you through every step.

1

### Evaluation

A contractor assesses your needs and determines your eligibility for the offer.

2

### Quotes

You receive quotes from different contractors and compare them, as well as the available grants.

3

### Documentation and contract

The contract is signed and the work is planned with the chosen contractor.

4

### Work performed

The work is carried out and the invoice is issued. An Énergir Certified Partner can deduct the grant amounts immediately.

5

### Confirmation

Joy! The grant amounts are paid out to you if they have not been previously deducted, and you receive confirmation of your registration for the dual-energy rate.

# Want to know more about dual energy?

To find out more about dual energy, including the available grants and applicable conditions, scan the QR code or phone us at **1-855-228-1313**.

\* Certain conditions apply. Grants may vary according to the equipment installed and the building's characteristics. Additional costs may apply with respect to the electrical work required. To benefit from the offer, you must sign a contract with your commercial representative or your Énergir Certified Partner prior to installation. The grant amounts paid out may not exceed 80% of the costs of the eligible projects.

Eligibility conditions and details are available at [energir.com/dualenergy-residential](http://energir.com/dualenergy-residential). Certain conditions apply, among them that the offer applies to households using natural gas to heat their space. Offer conditions and grant amounts are subject to change without notice.
