For owners of multi-tenant buildings, cooperatives and non-profit housing organizations, as well as non-profit social community organizations

* Mandatory fields

Declaration

The customer hereby requests participation in the Énergir **Supplement – Low-Income Households** grant. The customer confirms that he is participating in one of Énergir's energy efficiency grants. The customer acknowledges having read the eligibility criteria and all the grant conditions, as described in the *Participant's Guide*, and confirms compliance with those conditions.

The customer declares that the information provided in all of the documents sent in connection with his participation in this grant is accurate and complete.

Important message

This document must be submitted to Énergir before any work is started. The start of work corresponds to the date the contract is signed (the first contract when there are several) for carrying out the energy efficiency project.

After Énergir advises the owner that his request for participation has been accepted, the owner has one year to complete the work.

This timeframe may in no way have the effect of extending the deadline accorded to carry out the work under the energy efficiency grant in which the customer is participating.
